

Home Health Services

Meritan's Home Health services follow the direction of your doctor and provide care for you in your own home while you recover from illness, injury, or surgery. Our nurses and other medical professionals will come to your home on a schedule that works for you. We give you the care that you need to recover.

Meritan Home Health accepts Medicare, VA coverage, private paying clients, and some insurance providers. Meritan provides services to residents of Shelby County.
