SENIOR SERVICES HOME HEALTH CARE

Live in comfort. Live with dignity. And receive the best and most compassionate health care possible where you need it most—in your home.

The Specialized Care You Need, The Compassionate Care You Deserve. If you're one of the many hundreds of mid-south seniors confined to your home by illness or injury, you shouldn't be forced to care for yourself alone. And you shouldn't have to uproot your life to find the health assistance you need. Get the help you need along with the special attention you deserve, from the Home Health Care professionals at Senior Services—all in the comfort of your home.

Individual Care, For Individual Needs

No one understands the importance of reliable and accessible health care like Senior Services. Every year, we assist hundreds of homebound seniors in getting the help they deserve. We also understand that no two situations are the same. That's why our multidisciplinary team works directly with your doctor to determine the full extent of your unique health care needs. Put simply, it's how we deliver the most efficient and individualized care possible.

A Full-Spectrum of Home Health Services

With the most advanced training and technology at their fingertips, our home health care team delivers the most comprehensive care possible. And no one is more passionate about what they do. Our services include:

- Skilled Nursing
- Home Health Aide
- Medical Social-Worker
- Physical Therapy
- Speech Therapy
- Occupational Therapy

In addition, Senior Services provides other specialized programs and skilled nursing services such as:

- Wound Care
- Diabetes Care
- Rehabilitation
- Cardiac Care
- COPD
- Infusion Therapy
- Orthopedic Care

Medicare Eligibility Checklist

- You are currently under a physician's care.
- Your physician has authorized home health services.
- You require periodic skilled nursing care, or physical or speech therapy.
- You are confined to your place of residence due to illness or injury.
- Leaving your residence requires considerable and taxing effort, and the need for supportive devices such as a cane or wheelchair, or the help of another person.

Being homebound shouldn't mean your medical and personal requirements are not met. Let Senior Services' team of caring experts give you the care you need, and the attention you deserve.
